**Subject:** RE: Hickma Eggs Tonopah , Arizona - AZPDES Compliance

I hadn't heard anything back from you/EPA with regard to the violation(s) by Hickman of the AZPDES program and ADEQ's refusal/failure to do anything about them. Please let me know if EPA has any intention of following up on this issue. i.e., allowing one of the largest egg CAFOs in the world to operate without even preparing a Nutrient Management Plan and/or obtaining an AZPDES permit. I look forward to your response so that we can determine how best to proceed. If you require any additional information, please let me know. Thank you.
